The Qualification Code tables in this schedule include effective and valid until dates to allow you to select the appropriate code for your candidates. Please be sure to select the code in effect during the time frame of the issue date you are reporting.

Helpful hints when creating a Qualifications Information File

- Save as a tab delimited text format, asterisk delimited text format, or fixed length text format.
- Separate each column with a tab (no spaces)
- Do not use spaces or dashes within the Social Insurance Number
- There must be a Qualification Code for every Record Type line
- Only one **option code** per **record** may be reported
- Option code column must be populated. If the additional qualification course being reported does not have an option code, please populate this column with a zero – files without an option code cannot be processed
- The report date in the file must be the same for all records within the file
- Submit separate files for pre-service and in-service reporting
- You must submit Qualifications information for every record you provide on the General file.

Examples of qualification file record layouts can be found on page 8.

General Information File Record Layout Notes and Examples

The following applies to reports from all Faculties of Education:

- Report the degree code and education program code for your accredited program.
- The report date must be the date of completion of the program, or in the case of a multi-session program the date the first session was completed
- If the candidate has completed part of a multi-session program, use the degree code TE079 (Teacher education program in progress) or TE267 (Programme de formation à l'enseignement en cours).
- For information on reporting for the Temporary Certificate of Qualification and Registration (Temporary CQR), please see page 9.

Examples

Reporting Completion of Four-Semester Programs

U10007		Smith		John		12/30/1964	DG205	1	04/11/2007	485171	18
U10007		Tremblay		Benoît		11/27/1972	DG544	1	04/11/2007	512822	18

In the above example, the Education Program Code “18” advises the College that the candidate was enrolled in a four-semester, general education program. The Program Status Code “1” advises the College that the candidates have completed the full program.
